Gina-

Once again, I have moved due to my landlord selling her building, so I thought I'd inform you of my new address. It is:

Sonja Farak  
[REDACTED]

My phone has remained the same [REDACTED].

Also, are there any forms I need to fill out or copies I need to make for Moses since my marital status has changed? I just want to make sure everything is in-line for dental/optical reimbursement come the end of the year. Thank you for you time.
